REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art did not disclose or suggest a pad of flattened sleeves, each sleeve comprising first and second panels connected along their sides with a closed lower end, the panels tapered from upper to lower ends, the sides of the panels having an angle therebetween from about 14 to 40 degrees; a support portion for supporting the sleeve on in the pad from a support assembly, the support portion extending from the upper end and detachable via a detaching element in combination with an adhesive or cohesive material disposed upon at least one of the inner peripheral surfaces of the first and second panels.

The prior art did not disclose or suggest the pad as disclosed above in with a potted plant disposed therein and the method of disposing a potted plant therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. Rodman, Brendling, Bowers et al., and DeLuca disclose in the prior art various sleeves with conical (14 to 40 degrees) bottom angles.
